13. Any substantial quantities of unissued stores of any class shall be divided between the two Provinces in proportion to the indents for stores of that class made in the three years immediately preceding the appointed day for the areas comprised in these Provinces respectively.

Copy of Political and Reforms Department office note dated the 13th May 1936.

Paragraph 13 of the Second Schedule to the Government of India (Constitution of Sind) order, 1936, provides that any substantial quantities of unissued stores of any class should be divided between Bombay and Sind on the basis of consumption by each of that class of stores, during the three years preceding the date of separation viz. 1.4.36. The class or classes of stores which Bombay and Sind should share will in consequence have to be ascertained and the share of Sind, where any, will have to be determined. The Suptd. of Govt. Printing and Stationary is likely to have surplus stock of unissued stationery stores and on the principle enunciated, Sind may have to be given its share in that stock. Necessary steps for dividing this particular class of stores are being taken by this Deptt, and reference to it has been made by way of illustration only.

2. There might be other kinds of stores which may need to be similarly divided, for example the P.W.D. stores. This is a matter which requires careful investigation and it should be carried out by the different administrative departments by getting into touch with the officers under them. The departments may circularise their respective heads of Departments who in turn may circularise their subordinates. Each department will thus be ^{able} to know from the reports it will receive what stock of divisible stores there was with each subordinate officer or with a head of a department on 1.4.36 and what the share of Sind in that stock is.

3. If C.S. approves, the deptts. of the Secretariat may be asked to take necessary action with a view to ascertain, so far they are respectively concerned, (1) the quantities of unissued stores with them and with all officers subordinate

to.....

to them as on 1-4-36, (2) whether, and if so, what the share of Sind in them should be on 1.4.1936 on the basis prescribed in para. 13 of the Order in Council and to Communicate the result of their enquiries in a consolidated form to this Deptt. not later than 15th June 1936. The position for the Presidency as a whole will then be further examined in this deptt. and after the respective shares of the Governments of Bombay and Sind have been ascertained in each class of stores, the Govt. of Sind will be addressed in the matter.

2. The question of the apportionment between Bombay and Sind of the stores with the Bombay P.W.D. does not arise.
3. The stores with the P.W.D. are -
 - (b) those at Dapuri.
 - (a) those vesting in the Dnl. officers and
 - (c) those in the Mathematical Instruments Depots at Bombay and Karachi.
4. As regards the stores vesting in the Divnl. Officers, they are meant for the requirements of a particular Dn. And just as there are stores in the Dns. in the Presy. proper, there are also stores in the Dns. of Sind.
5. Re: the stores at Dapuri, all the P.W.D. stores that are stocked are those found surplus to and sent by the Dns. in the Presy. proper.
6. Re: (c) in para 3 above it has been decided that the question of sharing with Sind does not arise.
7. The P. & R.D. may be addressed in terms of paras. 2-6 supra after the S.E., C.C. has seen these papers u.o.

The Sind ⁰. X in C. refers to 'substantial quantities of ^{un}issued stores.' Obviously '~~un~~issued by the central depots of Govt.' is intended. As regards items 3(a) and 3(B) above these are ^{un}~~un~~issued STORES AND HENCE DO NOT fall within the purview of the O. in C. As regards item 3(c) these quantities of stores are not, in my opinion, 'Substantial' and in any case the Karachi and Bombay depots serve respectively the needs of Sind and the Presidency proper and hence this item may be held to be outside the ^{scope} ~~depote~~ of the orders issued.

No. 388/36.I.
Public Works Department.
Bombay Castle, 1st June 1936.

Memorandum.

Subject: Apportionment of stores unissued on
1st April 1936 between the provinces
of Bombay and Sind.

- - - - -

With reference to his memorandum No. R - 372, dated
15th May 1936 the Chief Secretary to the Government of Bombay,
Political and Reforms Department is informed, with compliments,
that the stores under the control of the Public Works Department
are:-

- (a) those vesting in the Divisional officers;
- (b) those stored at Depuri; and
- (c) those stored in the Mathematical Instruments
Depots at Bombay and Karachi.

The stores falling with categories (a) and (b)
above are 'issued' stores and hence do not fall within the pur-
view of paragraph 13 of the Second Schedule to the Government of
India (Constitution of Sind) Order, 1936.

The Mathematical Instruments Depots at Bombay and
Karachi serve the needs of the Bombay Presidency proper and
those of Sind respectively. The provisions of paragraph 13
of the Schedule do not therefore apply in the case of those
stores which were in these Depots on 1st April 1936.
